

Paul Wileman Marathon Man Palma, Mallorca 13 October 2019

Event Area

I'm sure there was something down there when I got up this morning

Danny – 76 and fast ?? approaching his 800th marathon

No sign of Paul – no wonder she's laughing

Found him – I think I must be lapping him !!!

I think this could be my look next time

The biscuits must be in here somewhere

I don't want a drink – I just want a bloomin' biscuit

The Winners

In their House at least

Our heroes

Who was quickest ? Oh, oh....
